

**[1] Brochure****sept.07****Price List**

All prices include VAT

**Page2 Rescue & restoration**

Our price to stage enamel the inside of the bath is £375 +vat [£440 including vat]

We restore baths here in our workshops in Ivybridge. The average 'turn around' time for a bath is 3-4 weeks. Each bath goes through a 14 day restoration process

Other common costs

To grind the outside [incl. Feet] &amp; red oxide prime £115 Paint bath outside - to your colour choice £70

**We will give every customer a fixed restoration cost before we commence work - there will be no hidden costs.****Page3 - 'choosing your bath' - size does matter***Due to the fact we sell mainly **original** restored baths - if in any doubt please contact us for exact bath / size / style & prices*
